

KAMOGELO KEDIGE

FINAL YEAR COMPUTER SCIENCE & INFORMATICS STUDENT

CONTACT

- +27 76 317 2382
- kedigekamogelo32@gmail.com
- Auckland Park, Johannesburg 2092

CORE SKILLS

- Teamwork and collaboration
- Smart Working
- Problem Solving
- Critical & Creative Thinking
- Project Management
- Leadership
- Strategic Planning
- Competence

TECHNICAL SKILLS

- Programming (C++,Java,C#)
- Database design (SQL)
- Web development (HTML,CSS, Javascript, ASP .NET)

CERTIFICATES

- FNB APP Academy Certificate in Full Stack Development
- Artificial Intelligence in 4IR Certificate - University of Johannesburg
- Be money wise Finance Certificate - University of Johannesburg

PROFILE

An accomplished computer science student with a strong track record of academic achievements and a proven ability to solve real-world problems through computer technologies. I possess strong leadership and teamwork skills and eagerness to grow and enhance my technical skills. Actively seeking opportunities to further my knowledge and skills in software engineering to create impactful, user-driven solutions.

EDUCATION

Computer Science & Informatics Student 2023 - PRESENT
University of Johannesburg

- Relevant coursework in data structures and algorithms, programming and software development
- Database design, web application development and Information Technology management
- Computer Networks (IP addressing, subnetting, routing protocols, network design, and security fundamentals)

PROJECTS

- E-commerce Store Daily Deli, a B2C online marketplace integrating groceries and ready-to-eat meals with dietary filtering, recipe driven cross selling, and loyalty rewards. Built with ASP.NET (C#), WCF, SQL Server, and a responsive HTML5, CSS3, JavaScript frontend to deliver eco-aware, personalized shopping experiences.
- Portfolio website designed to showcase my skills and projects. Built with HTML5, CSS3, JavaScript.
- Contact Book Application, with basic CRUD functionality powered by an API from the FNB App Academy. Designed with a clean interface and structured backend integration to demonstrate practical API consumption and data management skills. Built with HTML5, CSS3, JavaScript

ACHIEVEMENTS

- 2025 UJenius top 1%
- 2025 Top achiever award for 2nd year Computer Science and Informatics at the University of Johannesburg
- 2024 Top achiever award for 1st year Computer Science at the University of Johannesburg
- Golden Key Top 15% candidate for Computer Science (2023 - 2025)
